

PUBLIC FINANCING OF ELECTIONS:
**Will Your Tax Dollars Only Support
Republicans?**

Democratic candidates must each receive a certain number of contributions of at least \$10 in order to qualify for public financing.

The deadline to receive these contributions is May 6th. If our Democratic candidates fail to get enough qualifying contributions, they could be in serious trouble come November.

Think about it: Your \$10 contribution could make the difference, giving our candidates access to hundreds of thousands of dollars in public financing for their campaigns this fall.

Act today! Our candidates hope to qualify for public financing. Pick one - or, better yet, several - and mail in your contribution of at least \$10. (Candidates for these judicial seats can accept contributions up to \$500. Other candidates can accept contributions up to \$200.)

**These Democratic candidates still need qualifying contributions.
Send them your contribution today!**
