CANDIDATE FORUM IN SELMA!**

Our amazing Democratic candidates were at their best at the Candidate Forum at St. John A. M. E. Church in Selma on September 25th Seventh Congressional District candidate Dr. Kyle Horton's picture above looks like it might be entitled "Ain't No Mountain High Enough." NC Court of Appeals candidate Allegra Collins spoke eloquently about the importance of fair courts.

State Senate candidate Vernon Moore wins supports every time he speaks. SD-11

Jimmy Massengill is one of the most likeable legislative candidates in the state. SD-28

AL PACER STATE SENATE DISTRICT 11

At the Candidate Forum in Selma, Al Pacer's main theme was the fact that he had extensive experience in money management and government starting as a paperboy and eventually becoming a County Budget Director, Department Head, and doing population and housing studies for growth management.

In answer to some questions, he pointed out that the NC Governor is already one of the weakest in the nation and should not be subjected to further power grabs by the legislature.

He also pointed out that statements of a religious explanation for the establishment of the government and freedoms of North Carolina cited in the NC constitution are subordinate to the US Constitution which states in the Preamble that "We the people ...do ordain and establish" with no higher authority involved.

Al's email is Pacer4NCSenate@gmail.com.
