SOCIAL MEDIA GUIDANCE

#NCGA Republicans are trying to steamroll our state's constitution all so they can grab power for themselves. It's up to us to stop them -- vote AGAINST all amendments on November 6th. [*I'm Voting Against Graphic*]

I'm voting against the GOP's blank check amendments on November 6th. [*I'm Voting Against Graphic*]

The NC GOP's constitutional amendments say one thing -- but do another.

~~Voter ID~~ = Makes it harder to vote.

~~Judicial Vacancy~~ = Lets politicians cherry pick judges

~~Board of Elections & Ethics~~ = Creates a board designed for gridlock and failure

[*Stop Deceiving Voters Graphic*]

Republicans and Democrats alike are standing against several of these blank-check constitutional amendments. I agree with six Governors, six former Chief Justices and people all across NC; we need to vote against. [*Editorial Quote Graphic*]

Raleigh politicians are asking us to sign a "blank check" for them to cash in whenever and however they want. I'm saying NO to their constitutional amendments. [*I'm Voting Against Graphic*]
