National Convention Delegates

DELEGATES PLEDGED TO VICE PRESIDENT JOE BIDEN

SHIRLEY BENSON

Having never done this before, I guess it is about time. I think it would be totally awesome at my age (72) to participate directly in this nominating process. Good government has become increasingly important to me over the years. I would like to do this job to learn about it from the inside, especially since it may not be long before it becomes a thing of the past considering pandemics and the unpopularity of the electoral college. This could be an exciting learning opportunity for me to experience and share with my family and friends.

I met V.P. Biden decades ago and was thrilled when he joined President Obama to take back the White House. I knew last year he was our best bet to beat Trump too and his chances have only improved since then. If we don't oust Trump I fear our democracy won't survive a second Trump term. Joe is a bully beater. He has no fear. In the 1980s I studied him when I was a staff lawyer to Max Baucus on the Judiciary Committee. Our backgrounds are similar: working class childhood, paid my way through Community College serving as a Teamster Union Steward, began public service as a CETA worker at City Hall. Served as a City Manager, a State and Federal Prosecutor and General Counsel to an I.T. firm in D.C. I'm Ridin' With Biden and proud t it!!! He will save our country from Trump/Putin

BRENDA WILKINS

I, BRENDA WILKINS, AM SEEKING YOUR SUPPORT TO BE ELECTED A BIDEN DELEGATE FOR THE DEMOCRATIC NATIONAL CONVENTION. Service to the Democratic Party has meant that I could be a part of a group of people committed to speak and act on behalf of the communities of the Third Congressional District. I have served in the past as a County Party Treasurer and attended National Democratic Conventions. My work with the HEALTH CARE PROVIDERS during the 2020 pandemic has made me acutely aware of the needs of communities across the Third Congressional District. Joe Biden will ensure that resources are made available in a fair and equitable manner. He will not forget the CHILDREN, the POOR, the HOMELESS, the AGING, the UNEMPLOYED! HE WILL NOT FORGET US! WE CAN MAKE A DIFFERENCE WITH BIDEN AS OUR PRESIDENT! Please elect BRENDA WILKINS to be your DELEGATE. TOGETHER WE CAN MAKE A DIFFERENCE!

KENNIS WILKINS

I, KENNIS WILKINS, am a candidate seeking your Vote to become a Biden Delegate for the Democratic National Convention. Joe Biden stands with North Carolina and Rural Americans! As a former Martin County Resident, now residing in Greenville, Pitt County I am excited to be part of the Third Congressional District. Serving Twelve Years as a Trustee for the NC Democratic Party, Twelve years as the Martin County Democratic Chairman, Recipient of the Long Leaf Pine Award, familiarity with our National Conventions, and my network of a lifetime of community service, dedication and passion for serving others. Serving as a Trustee for Elizabeth City State University and also Martin Community College made me more aware of disparities, given the challenges small rural educational institutions must confront each day. I BELIEVE JOE BIDEN IS COMMITTED TO PROVIDE ASSISTANCE TO THE CITIZENS OF EASTERN NORTH CAROLINA AND THE STATE THAT WILL DELIVER RESOURCES FOR OUR EDUCATIONAL INSTITUTIONS AND HEALTH CARE COMMUNITIES UNLIKE THE LAST 4 YEARS! AGAIN, I AM ASKING FOR YOUR VOTE TO BE YOUR DELEGATE FOR JOE BIDEN FOR PRESIDENT! God Bless and Stay Safe!

DELEGATES PLEDGED TO MICHAEL BLOOMBERG

TINA RODRIGUEZ

With a deep sense of gratitude and pride, I can announce that it is official! I have been vetted and approved by the Joe Biden campaign to serve as a Delegate to the Democratic National Convention. When I filed my Notice of Candidacy, I pledged to Joe Biden. The Biden campaign is also managing the Bloomberg Delegates so when the Biden campaign asked me to change my pledge to Mike Bloomberg to fill a vacancy for our district, I gladly accepted and further pledged to do what is necessary to unify our party and win this election. #ridingwithbiden #joementum #ilikemiketoo. We often hear as a presidential election rolls around, "this election is the most important one of your lifetime". Friends, this one really is, for if we do not unite and defeat Donald Trump, I fear for this country. It truly is a battle for the soul of our great nation. Thank you for your support!

DELEGATES PLEDGED TO SENATOR BERNIE SANDERS

DIRICO L BAKER

There's no one else in the presidential election whose policies reflect the change I want to see in America more so than Senator Bernie Sanders. It would be an honor to represent him.

CHRIS HARDEE

I'm excited about the 2020 Presidential Election and not just taking back the White House for Democrats, but for all of US. The office has been used, abused and sold out since 45 moved in. I believe we will be victorious in November and want to represent you, the 3rd District, in casting our Electoral Vote for Joe Biden. I've a long time Democratic Leader having been elected as a Precinct, County and District Chair. Serving in the party and multiple caucuses, I've worked with you and mostly for you to help elect Democrats across the East. I would be honored to have your vote as the 3rd District Democratic Presidential Elector.
