## **COUNTY CONVENTION EDITION!**

**YOUTH FEATURES: MICHAEL EVOLA, DYLAN HENSON, TIA MEREDITH**

## **TIA MEREDITH – A DEMOCRATIC HOMECOMING QUEEN IN RANDOLPH COUNTY!**

**Tia Meredith with Questin Overman who has been a friend since before kindergarten.**

**This picture was taken on April 9, 2021.**

**This publication has been following Tia Meredith since she was eight years old. She is now eighteen years old and on last Friday night, April 9<sup>th</sup>, Tia was crowned Homecoming Queen at Providence Grove High School in Randolph County. The votes for Homecoming Queen were cast by her fellow students. So she is a popular Democrat in a GOP county.**

**In the picture on the left above she is with her brother, Wilson Meredith. In the picture on the right she is with Homecoming King Jacob Allen.**

**Because COVID-19 changed the schedule of the football season, Tia had the chance to run on the school's cross country team this school year.**

**Her girls cross country team and the school's boys team won the PAC-7 Conference Championship. They were successful at the regional level and qualified to run in the state championship meet.**

**Tia says: "Words can not describe how much happiness this team and this sport has brought me!"**

**In this picture Tia is with her father, Jim Meredith, in 2019 when she was a Princess in the Homecoming Court.**

**Jim and his wife, Beverly, went to China and adopted Tia when she was two years old. Tia celebrates her adoption anniversary every year.**

**Throughout her school years she has made excellent grades. She has been accepted at several major universities. She has not yet made a decision about whether she will attend NC State or UNC-Chapel Hill.**

**Jim was Chair of the Randolph County Democratic Party for several years and he was Chair of the Sixth Congressional District Democratic Party for two years. Jim also ran a strong race for the General Assembly in 2018.**

**Tia's mother, Beverly, owns and operates two accounting firms in Randolph County.**

**In February of this year, Tia went to Grandfather Mountain where she enjoyed the thrill of walking across the famous Swinging Bridge. That is really "Social Distancing," isn't it?**

**Another highlight of Tia's Senior Year in school: She got her hair cut for the first time in eight years!**

# ROBESON COUNTY ELECTED THESE NEW PARTY OFFICERS!

**KAREN NANCE**  
**CHAIR**

Born and raised in Lumberton by a textile worker and a WWII veteran, Karen Nance graduated with her BS in Psychology and earned her Master's in Service Agency Counseling also from UNCP; all the while working in the mental health field and raising her son.

If there is one characteristic that she possess that stands above others, it is her determination and perseverance to conquer. She doesn't comprehend the word CAN'T, and firmly believes that this resiliency has aided her in facing her physical disability with courage and finesse. She hopes to provide this Democratic Party the leadership and organization it needs to reflect the greatness that we have in this Community.

She has been outspoken about women's issues since a young girl. The political party that supports her opinions is the Democratic Party. Her dad fought in WWII, was a POW in a German concentration camp for 6 months before it was liberated by the French. He came back to a civil servant job with the United States Post Office. Many years later, the benefits supported by her democratic party allowed him to take an early retirement so that he could take care of her-as she was in a terrible automobile accident. The healthcare that everyone should have the right to, that was provided through his government job and supported by her democratic party assisted her in relearning to walk, talk, write...

The GI bill that the Great Democrat Franklin Roosevelt created sent her to College, and Social Supports, such as AFDC, Work First and Food Stamps helped her to finally finish graduate school while working and supporting her son. The disability services programs and the Americans with Disabilities Act assisted her with establishing note takers in college and grad school.  
**DEMOCRATIC PROGRAMS.**

She met my current husband, Jim Nance in 1996, and although they didn't get married until 2003, he is another foundation of her life. His mother was Doris Nance, a woman who established her own business before it was common for women to own a business.

She has a job description dictated by the Plan of Organization, a contractual obligation to the Democratic Party, and in her life she has taken employment very seriously. In addition to her Day job, she has her own small business and a very strong work ethic that was instilled by both of her parents. *Thank you for allowing her to share a few of the passions she has for this platform.*

## CONGRATULATIONS TO OUR 2021-2023 OFFICERS!

## **RICHARD POOLE NEW HANOVER COUNTY!**

Since 2013 Richard Poole has been one of the most highly successful County Chairs in the state. He has been County Chair for seven of the eight years since 2013.

He led the development of a team that has completely changed the political situation in New Hanover County.

When he started in 2013 the county had been voting for the GOP for decades.

In 2014 New Hanover was the most improved county in the state for Kay Hagan for US Senate.

In 2018 Democrats won majorities on both the Board of County Commissioners and the Board of Education for the first time in many years.

Amazing: In 2020 Richard and his Democratic team carried the county for a Democratic presidential candidate for the first time since voting for President Jimmy Carter in 1976! That ended 44 years of voting for the GOP presidential candidate.

These figures shows how much the county grew and changed over those 44 years

### 1976

President Carter – 14,504

President Ford - - -13, 687

### 2020

President Biden – 66,138

President Trump – 63,331

In 2020 Richard and his Democrats also carried New Hanover for Roy Cooper, Josh Stein, Beth Wood, Elaine Marshall, Cheri Beasley, Lucy Inman and Jessica Holmes.

During the last eight years Richard and the NH Dems have carried out many community service projects. The picture on the left shows him and some of his team at a MLK Day Food Bank event where they collected 2 ½ tons of food and \$1100.

In addition to all these county successes, Richard has served two years as President of the State Association of County Chairs.

He stepped down as County Chair on April 11<sup>th</sup>. Next week's edition will feature the county's new Officers.
