4. What CDNC is doing to help

COLLEGEDEMSNC

What is CDNC?

WHAT IS CDNC?

College Democrats are mobilizing students across the State to elect Democrats in every area code, city, town and county. We're leading the fight for livable wages, access to affordable healthcare, and a better education system. And we're taking a stand against radical Republicans in Raleigh and in DC.

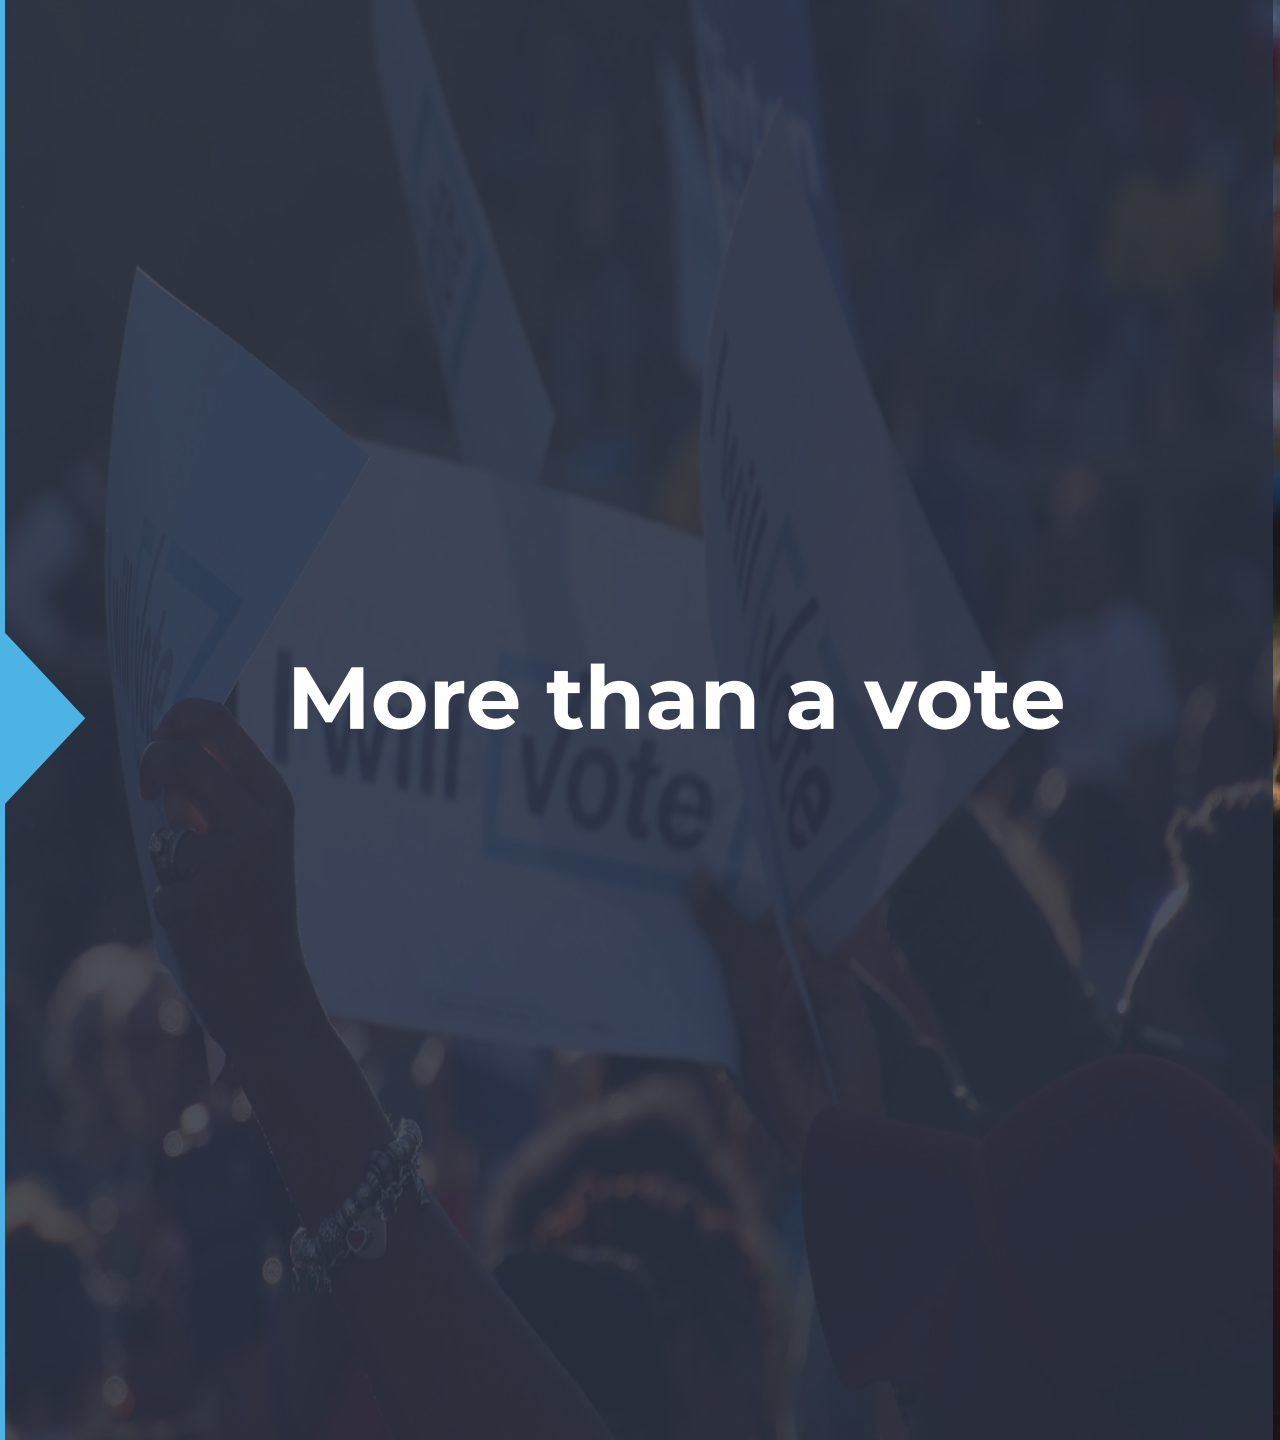

WHO IS CDNC?

More than a vote

STUDENTS ARE A PART OF YOUR COMMUNITY

College students have dual residency in where they grew up and where they attend university. They are a part of your community!

A STRONG VOLUNTEER BASE

College students offer a strong base to the local Democratic party as well. In areas such as social media, canvassing, and phonebanking they can offer unique perspectives.

Active Engagement

ACCESSIBILITY IS KEY

Like all voters college students show up in higher numbers the more accessible it is for them to vote. On campus voting increases student engagement drastically.

REGISTER REGISTER REGISTER!

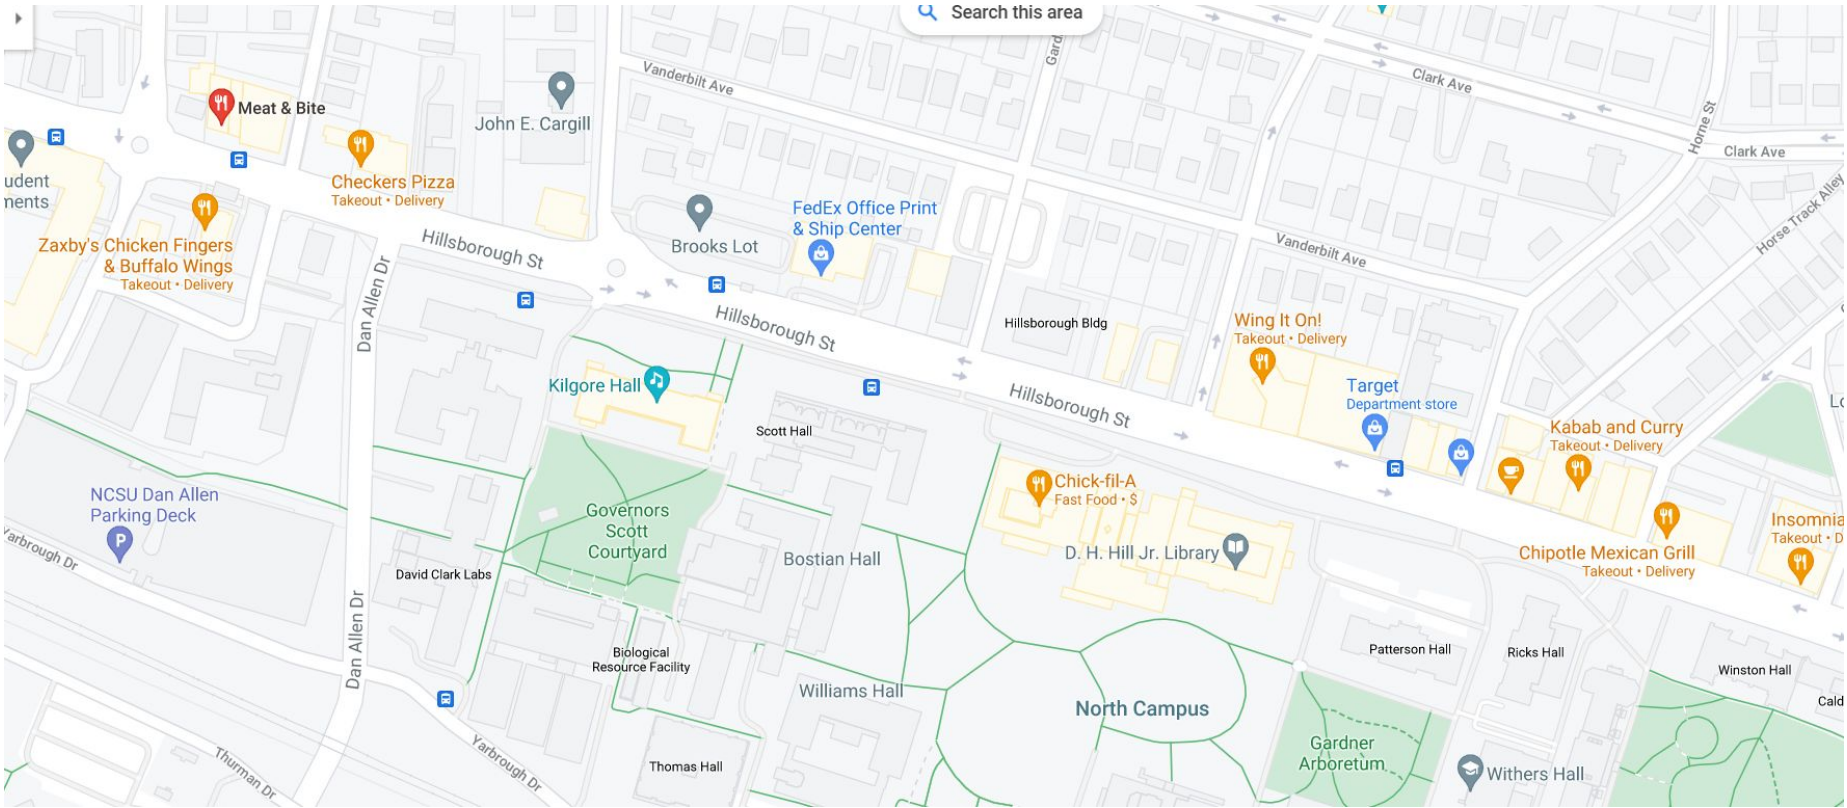

Students can only vote on campus if they register on campus. If you want the students of your precinct to vote you need to register them!

IS THIS REGISTERING WITH YOU?

GO TO THE STUDENTS

If you want to increase the student vote you need to go to the students! Not only on campus but in the bars, restaurants, and coffee shop they traffic.

**Gotta fight for their
right!**

PROTECT YOUR VOTERS

Students are often the target of voter suppression. If you want to keep voting accessible to your students you might face legal battles with the school administration, Board of Elections, or third parties trying to close voting sites.

PROTECT YOUR VOTERS

2014: Local BOE consolidates Boone 1,2, and 3 precincts and designates Agricultural Center as the only voting site for the precinct. Decision is found unconstitutional.

2016: Local BOE denies early voting site for Student Union, Voting Rights Task Force sues and wins back the Union Voting Site.
