North Carolina Delegate Selection Plan For the 2024 Democratic National Convention

Section I Introduction & Description of Delegate Selection Process

A. Introduction

1. North Carolina has a total of 134 delegates and 10 alternates. *(Call I & Appendix B)*
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2024 Democratic National Convention* (“Rules”), the *Call for the 2024 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention* (“Regs.”), the rules of the North Carolina Democratic Party (“Plan of Organization” or “POO”), North Carolina General Statutes (“NCGS”), and this Delegate Selection Plan. *(Call II.A)*
3. Following the State Executive Committee’s adoption of this Delegate Selection Plan, the state Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The state Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the state Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. *(POO 7.01, Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the state Party must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*
5. Per NCGS, “Each political party shall allocate delegate positions in a manner which reflects the division of votes of the party primary consistent with the national party rules of that political party.” *(NCGS 163-213.8)*

B. Description of Delegate Selection Process

1. North Carolina will use a proportional representation system based on the results of the Presidential Preference Primary for apportioning delegates to the 2024 Democratic National Convention.

North Carolina 2024 Delegate Selection Plan

2. The “first determining step” of North Carolina’s delegate selection process will occur on March 5, 2024, with a Presidential Preference Primary. Other elections on the primary ballot will include U.S. Congress, statewide executive offices (“Council of State”), including those for Governor, Lieutenant Governor, Attorney General, and Secretary of State; North Carolina General Assembly, local officials, including county commissioners and school boards; and statewide and local judicial races. (*NCGS 163-1, NCGS 163-213.2*).

C. Voter Participation

1. Participation in North Carolina’s delegate selection process is open to all voters who wish to participate as Democrats. All registered Democrats in North Carolina shall be eligible to participate and shall be encouraged to do so through a program of publicity and outreach by both county and state parties. (*NCGA 163-59, Rule 2.A and Rule 2.C*)
 - a. North Carolina’s voter registration deadline for the Presidential Preference Primary is 25 days prior to the election; February 9, 2024. Voters register by sending in their forms to either their local county board of elections or the State Board of Elections, or through the Division of Motor Vehicle. Alternatively, voters may register and vote during the one-stop voting period (“early voting”); however, “an individual’s party affiliation may not be changed during the one-stop voting period before any first or second partisan primary in which the individual is eligible to vote.” (*NCGS 163-82.6, NCGS 163-82.6A*)
 - b. North Carolina has partisan voter registration. Current qualified parties in North Carolina are the Democratic Party, the Green Party, the Libertarian Party, the Constitutional Party, and the Republican Party. Voters may also register as unaffiliated. (*NCGA 163-96*)
 - i. All active Democrats, as defined by the Plan of Organization, may participate in any part of the delegate selection process. An active Democrat is a person who is registered to vote in North Carolina as a Democrat and who gives their time and/or means to further the interests of the Democratic Party. (*POO 11.09*)
 - ii. Voters who are registered as unaffiliated may participate in the Presidential Preference Primary (*NCGS 163-119*) but may not participate in any other part of the delegate selection process. Unaffiliated voters must select the Democratic primary ballot to vote in the Presidential Preference Primary but are not required to identify as Democrats or change their voter affiliation. Voters who register as a member of any other party other than the Democratic Party may not participate in any part of the delegate selection Process. (*Rule 2.A, Reg. 4.3.A, Reg. 4.3.B, POO 11.09, NCGS 163-59, NCGS 163-283*)

North Carolina 2024 Delegate Selection Plan

- c. To encourage participation by youth in the delegate selection process, any individual who will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process; however they may only register “not earlier than 60 days nor later than the last day for making [an] application to register.” (*NCGS 163-59, NCGS 163-213.2; Reg. 4.3.C*)
 - d. At no stage of State’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. (*Rule 2.D & Reg. 4.4*)
 - e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. (*Rule 2.E*)
 - f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate selection process and in which all individual voters who wish to participate as Democrats are eligible to do so. (*Rule 2.F*)
 - g. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. (*Rule 3.E & Reg. 4.7*)
2. North Carolina is participating in the state government-run presidential preference primary that will utilize government-run voting systems. North Carolina law (*NCGS 163-165.7*) already provides both optical scan and direct recording electronic systems with recognized security measures including a paper trail. Other security measures include automatic routine manual audits comparing paper records to electronic records following every election and prior to certification or results where possible, parallel testing on election day; physical and electronic security for equipment, banning use of wireless components and connections, public disclosure of software design, use of transparent and random selection for all auditing procedures, and effective procedures for addressing evidence of fraud or error. Audits conducted by local boards of elections with the State Board of Elections selecting a random race and precinct/early voting site to compare the electronic recording of votes with paper ballots to verify the accuracy of the vote.

NCDP has taken provable positive steps, including through legislation like the Fix Our Democracy Act ([HB362/SB306](#)) and the Freedom to Vote Act ([HB293/SB226](#)) to advocate for the state to do the following:

North Carolina 2024 Delegate Selection Plan

- a. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure (*Rule 2.H.1*);
 - b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls (*Rule 2.H.2*);
 - c. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems (*Rule 2.H.3*);
 - d. Ensure that any direct recording electronic systems in place have a voter verified paper record (*Rule 2.H.4*);
 - e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records (*Rule 2.H.5*);
 - f. Ensure that all voting systems have recognized security measures (*Rule 2.H.6*);
 - g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately, with votes verifiable by voters (*Rule 2.H.7*);
 - h. Provide educational materials to enhance public knowledge and confidence in election administration and counter disinformation (*Rule 2.H.8*);
 - i. Actively engaging with state and local officials to implement fair and honest election policies and practices (*Rule 2.H.9*); and
 - j. Support adequate funding for state and local election administration. (*Rule 2.H.10*)
3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, these provable positive steps have included: the drafting of legislation; public endorsement by the state party of such legislation; efforts to educate the public on the need for such legislation; active support for the legislation by the state party lobbying state legislators, other public officials, Party officials and Party members; and encouraging consideration of the legislation by the appropriate legislative committees and bodies. (Rule 2.I and 2.I.1) North Carolina Democrats have passed legislation and defended Republican attempts to repeal the following:
- a. Expand access to voting, including by early voting (17 day period prior to the primary, beginning **February 15, 2024**), no excuse absentee voting (available 50 days before the primary on **January 15, 2024**, must be postmarked by primary day and received by the Friday following the primary), same-day voter

North Carolina 2024 Delegate Selection Plan

- registration during early voting, and voting by mail (available 50 days before the primary or **January 15, 2024**; must postmarked by primary day and received by the Friday following the primary), drop boxes and voting by mail; (*Rule 2.1.1.a*)
- b. Ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines; (*Rule 2.1.1.b*)
 - c. Speed up the voting process and minimize long lines; (*Rule 2.1.1.c*)
 - d. Eliminate onerous and discriminatory voter identification requirements; (*Rule 2.1.1.d*)
 - e. Count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct, for offices for which they are eligible to vote; and (*Rule 2.1.1.e*)
 - f. Facilitate military and overseas voting. (*Rule 2.1.1.f*)
4. As part of encouraging participation in the delegate selection process by registered voters, the North Carolina Democratic Party will work from the state level down to the precinct level to fully publicize the Presidential Preference Primary in ways including, but not limited to: issuing press releases and notices encouraging participation in local, regional, and constituency media; providing surrogates to news and informational programs on television and radio; publicizing the election on social media networks such as Facebook and Twitter; and encouraging NCDP email list members to register and commit to vote. (*Rule 2.1.2*) North Carolina legislators have already passed legislation decades ago that includes the following, and the North Carolina Democratic Party has fought back against attempts by Republican legislators to repeal the following (*Rule 2.1.2*):
- a. Voter registration modernization, including online voter registration via the Division of Motor Vehicles as well as same-day registration during the one-stop early voting period (*Rule 2.1.2.a*);
 - b. Pre-registration of high school students so that they are already registered once they reach voting age (*Rule 2.1.2.b*);
 - c. Restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines (*Rule 2.1.2.c*); and
 - d. Same-day registration of voters for the Democratic presidential nominating process during early voting. (*Rule 2.1.2.d*)

North Carolina 2024 Delegate Selection Plan

5. The North Carolina Democratic Party has taken proactive steps to ensure that an open and inclusive process is possible and resisted efforts to implement voter suppression and disenfranchisement. Since 2017, the North Carolina Democratic Party and progressive organizations have repeatedly engaged in litigation to thwart voter suppression. Litigation in North Carolina has successfully thwarted implementation of Voter ID, reductions in early voting, and racial gerrymandering. Additionally, the North Carolina Democratic Party came out against constitutional amendments on Voter ID and changing the administrative structure of the State Board of Elections and local county boards. And finally, legislators in the General Assembly regularly introduce legislation to make it easier to vote in North Carolina. However, with a majority of both chambers being controlled by the GOP that legislation has not passed. Nonetheless, North Carolina Democrats have been able to implement robust early voting plans at the county level to ensure adequate locations, days, and hours for voters to exercise their right to vote and through public engagement communicated with voters on all available ways a ballot may be cast within the current regulatory environment. *(Rule 2.J and Rule 2.J.1)*

D. Scheduling of Delegate Selection Meetings

The dates, times and places for all official Party meetings and events related to the state's delegate selection process must be scheduled to encourage the participation of all Democrats. Such meetings must begin and end at reasonable hours. The dates, times and places for all official Party meetings and events related to the state's delegate selection process have been scheduled to encourage the participation of all Democrats. The state chair will schedule the dates of precinct meetings per the plan of organization. The North Carolina Democratic Party has sought to avoid conflict with major religious observances in an effort to promote delegate selection. The North Carolina Democratic Party has sought to avoid major religious observances in an effort to promote delegate selection. *(Rule 3.A & Reg. 4.)*

The State Party will work with county parties and congressional district parties to confirm that all meetings have secured all appropriate meeting locations that are publicly accessible. The State Party will work with county parties and congressional district parties to confirm that all convenings will take place at facilities that have been properly reserved and secured and are publicly accessible. All precinct meetings, county conventions, and district conventions shall occur in-person, unless a simple majority weighted vote of the appropriate county or district executive committee is taken to authorize a virtual convening. A certification shall be filed by a county chair regarding annual precinct meetings and/or a county convention and by a district chair regarding a district convention. This certification shall be filed with the co-chairs of the Delegate Selection and Affirmative Action Committee no less than 60 days prior to the respective convening(s). Additionally, a county or district executive committee chair shall file with the co-chairs of the Delegate Selection and Affirmative Action Committee their plan for

North Carolina 2024 Delegate Selection Plan

ensuring accessibility and equity for attendees of a virtual convening at the time such a certification is submitted.

Section II

Presidential Candidates

A. Ballot Access

A presidential candidate gains access to the State presidential preference primary ballot, or is eligible to participate in the State's first-tier caucuses, by the following means:

(1) Nomination by State Board of Elections (*NCGS 163-213.4*). "No later than 90 days preceding the North Carolina presidential preference primary, the chair of each political party shall submit to the State Board of Elections a list of its presidential candidates to be placed on the presidential preference primary ballot. The list must be comprised of candidates whose candidacy is generally advocated and recognized in the news media throughout the United States or in North Carolina, unless any such candidate executes and files with the chair of the political party an affidavit stating without qualification that the candidate is not and does not intend to become a candidate for nomination in the North Carolina Presidential Preference Primary Election. The State Board of Elections shall prepare and publish a list of the names of the presidential candidates submitted. The State Board of Elections shall convene in Raleigh on the first Tuesday in January preceding the presidential preference primary election, unless the first Tuesday in January is the first day of that month, in which case the State Board shall meet on January 2. At the meeting required by this section, the State Board of Elections shall nominate as presidential primary candidates all candidates affiliated with a political party, recognized pursuant to the provisions of Article 9 of this Chapter, who have been submitted to the State Board of Elections. Additionally, the State Board of Elections, by vote of at least three of its members in the affirmative, may nominate as a presidential primary candidate any other person affiliated with a political party that it finds is generally advocated and recognized in the news media throughout the United States or in North Carolina as candidates for the nomination by that party. Immediately upon completion of these requirements, the State Board shall release to the news media all such nominees selected. Provided, however, nothing shall prohibit the partial selection of nominees prior to the meeting required by this section, if all provisions herein have been complied with."

(2) Nomination by petition. (*NCGS 163-213.5*) "Any person seeking the endorsement by the national political party for the office of President of the United States, or any group organized in this State on behalf of, and with the consent of, such person, may file with the State Board of elections petitions signed by 10,000 persons who, at the time they signed are registered and qualified voters in this State and are affiliated, by such registration, with the same political party as the candidate for whom the petitions are filed. Such petitions shall be presented to the county board of elections 10 days before the filing deadline and shall be certified promptly by the chairman of the board of elections of the county in which the signatures were obtained and shall be filed by the petitioners with the State Board of Elections no later than 5:00 P.M. on the Monday prior to the date the State Board of elections is required to meet as

North Carolina 2024 Delegate Selection Plan

directed by G.S. 163-213.4. The petitions must state the name of the candidate for nomination, along with a letter of approval signed by such candidate. Said petitions must also state the name and address of the chairman of any such group organized to circulate petitions authorized under this section. The requirement for signers of such petitions shall be the same as now required under provisions of G.S. 163-96(b)(1) and (2). The requirement of the respective chairmen of county boards of elections shall be the same as now required under the provisions of G.S. 163-96 as they relate to the chairman of the county board of elections. The State Board of elections shall forthwith determine the sufficiency of petitions filed with it and shall immediately communicate its determination to the chairman of such group organized to circulate petitions. The form and style of petition shall be as prescribed by the State Board of elections.”

(Rule 11.C, Rule 14.A, Rule 14.C, Rule 14.D, Rule 14.E, & Rule 15.H)

B. Other Requirements

1. Each presidential candidate shall certify in writing to the State Democratic Chair the name(s) of their authorized representative(s) by **January 1, 2024**. *(Rule 13.D.1)*
2. Each presidential candidate (including uncommitted status) shall use their best efforts to ensure that their respective delegation within the state delegation achieves the affirmative action, outreach, and inclusion goals established by this Plan and is equally divided between men and women. *(Rule 6.I)*

C. Uncommitted on the Ballot

1. The names of all candidates in the presidential preference primary shall appear at an appropriate place on the ballot or voting machine. In addition, the State Board of Elections shall provide a category on the ballot or voting machine allowing voters in each political party to vote an "uncommitted" or "no preference" status. The voter shall be able to cast his ballot for one of the presidential candidates of a political party or for an "uncommitted" or "no preference" status but shall not be permitted to vote for candidates or "uncommitted" status of a political party different from his registration.” Write in candidates are not allowed. *(NCGS 163-213.7)*

Section III

Selection of Delegates and Alternates

A. District-Level Delegates and Alternates

1. North Carolina is allocated 76 district-level delegates and 0 district-level alternates. *(Rule 8.C, Call I.B, I.I, & Appendix B)*
2. District-level delegates and alternates shall be elected by a Presidential Preference Primary followed by a post-primary convention system involving precinct meetings, county conventions, district conventions, and a state convention.
 - a. The purpose of precinct meetings is to elect delegates to the county conventions and to discuss other business related to the affairs of the precinct. The purpose of the county convention is to elect delegates to the congressional district and state conventions as well as to conduct other business related to the affairs of the county organizations. Delegates who are elected at one level who are unable to attend the next level caucus are still able to run as delegates.
 - b. Statewide precinct meetings shall be held on **Saturday, February 17, 2024** and begin no earlier than 10:00 AM and no later than 7:00 PM, at the polling place for that precinct or at another location approved in advance by the county chair with notice posted at the polling place. Every effort must be made to hold the precinct meeting at an accessible location. The make-up date, in the event of severely inclement weather or failure to assemble a quorum of five (5), will be on **Saturday, March 2, 2024** between the hours of 10:00 AM and 7:00 PM. Should a precinct fail to meet on the make-up date, the county chair has the authority to set a date for a new precinct meeting. This date shall be fully publicized and must occur two full weeks before the county convention. In the event that a precinct polling place should prove unsuitable, for whatever reason, an alternate meeting location may be used. Any alternate meeting facility must be approved in advance by the county chair and publicly announced seven (7) calendar days in advance of the meeting. In the event the precinct will be meeting at a location other than the precinct's polling location, the precinct chair or acting precinct chair shall post notice of the alternate meeting location at the regular polling place. If the precinct's polling location will not allow the posting of a meeting notice, the precinct chair or acting chair will notify the County Party Chair so a remedy can be found in a timely manner. In any case, the precinct meeting must be held in a public facility accessible to all registered Democrats residing in the precinct, except that when the precinct chair or acting precinct chair, wishes to meet in their precinct, and the county chair certifies that no public facility is available in the precinct, the precinct meeting may be held in a non-public facility accessible to all registered Democrats residing in the precinct.

North Carolina 2024 Delegate Selection Plan

- i. Multiple Precincts Meeting at One Location. Multiple precinct meetings at the same location and time are permissible under this Plan so long as such an arrangement is agreed to in advance by the county party Chair and by the precinct chair or acting precinct chair of the affected precincts. Such meetings must be in a location within the boundaries of the precinct's county and at a location that can be reasonably accessed by all registered Democrats residing in the affected precincts. For all precincts which do not meet at their polling place, the precinct chair or acting precinct chair, shall post notice of the alternate meeting location at the regular polling place, and if postings are not allowed, they need to notify the County Party Chair. The group meeting may be structured so participating precincts share agenda items common to all precincts but must allow the precincts to meet individually to elect officers and/or delegates to the county convention or conduct other business specific to an individual precinct.
- ii. At the beginning of every precinct meeting, the precinct chair or the acting chair shall read the following statement: "All public meetings at all levels of the North Carolina Democratic Party shall be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or disability. In order that the Democratic Party at all levels be an open Party, which includes rather than excludes people from participation, a program of effective affirmative action has been adopted by the North Carolina Democratic Party. Discrimination on the basis of 'status' in the conduct of North Carolina Democratic Party affairs is prohibited."
- c. All registered Democrats in the precinct shall be eligible to attend and vote at the precinct meeting and shall be encouraged to do so through a program of publicity and outreach by both the county and state Democratic Parties.
- d. As provided in the Plan of Organization, the first order of business at precinct meetings shall be the election of delegates to the county convention. Each precinct shall be entitled to cast one vote at the county convention for every 100 Democratic votes, or major fraction thereof, cast by the precinct for Governor in the last (2020) gubernatorial election. *(POO 1.04)*
- e. County conventions shall be held on **Saturday, March 16, 2024**, with starting times between the hours of 10:00 a.m. and 2:00 p.m. The county chair shall determine the starting time as provided above and the location – both of which shall be as fully publicized by the county chair, 3rd vice chair, or their designee responsible for media, as possible. The county conventions

North Carolina 2024 Delegate Selection Plan

shall be composed of delegates elected at the annual precinct meetings in the county.

iii. At the beginning of every county convention, the county chair or the acting chair shall read the following statement: "All public meetings at all levels of the North Carolina Democratic Party shall be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or disability. In order that the Democratic Party at all levels be an open Party, which includes rather than excludes people from participation, a program of effective affirmative action has been adopted by the North Carolina Democratic Party. Discrimination on the basis of 'status' in the conduct of North Carolina Democratic Party affairs is prohibited."

- f. As provided in the Plan of Organization, the county convention shall elect, from among the Democrats of the county, delegates to the congressional district and state conventions. Each county (or portion thereof within a congressional district) shall be entitled to cast one vote at the congressional district and state conventions for every 300 Democratic votes, or major fraction thereof, cast by that county (or portion thereof within a congressional district) for Governor in the last (2020) gubernatorial election. *(POO 5.01)*
- g. Delegates to county conventions shall not be required to declare their presidential candidate (or uncommitted) preference, and the entire body of delegates shall vote for all delegates to their congressional district and state conventions; except in counties which are divided among more than one congressional district, only those delegates residing in a particular congressional district shall vote for delegates to that respective congressional district's convention.
- h. District-Level Delegate Election Procedure. The congressional district conventions shall be held on **Saturday, April 20, 2024**, with starting times between the hours of 10:00 a.m. and 2:00 p.m. The congressional district chair shall determine the starting time as provided above and the location, both of which shall be as fully publicized by the congressional district chair as possible. The congressional district conventions shall be composed of delegates elected by the county conventions in the congressional district.
- i. At the beginning of every district convention, the district chair or the acting chair shall read the following statement: "All public meetings at all levels of the North Carolina Democratic Party shall be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or disability. In order that the Democratic Party at all levels

North Carolina 2024 Delegate Selection Plan

be an open Party, which includes rather than excludes people from participation, a program of effective affirmative action has been adopted by the North Carolina Democratic Party. Discrimination on the basis of 'status' in the conduct of North Carolina Democratic Party affairs is prohibited.”

ii. Each member of the presidential preference group elected as a delegate to their congressional district convention shall be allowed to vote for delegates to the national convention. Each member of the presidential preference group shall have votes equal to the number of national convention delegates to be elected but may vote for fewer candidates and shall not be allowed to vote more than once for a candidate. Unlike previous years, voting for District-level delegates shall not be conducted separately for male and female positions. Candidates for delegate must receive a majority of those votes cast in order to be elected. The State Party will designate uniform procedures whereby the field of candidates may be narrowed and runoff votes taken in the event enough candidates do not receive a majority of the first ballot.

iii. Delegates to the congressional district convention shall also select, from among the active Democrats of the congressional district, one nominee for presidential elector as required by law and the Plan of Organization. (*NCGS 163-1 and POO 6.01*)

iv. The State Party shall be responsible for preparing ballots for the election of national convention delegates. The congressional district chair shall be responsible for (1) preparing blank ballots for the election of District-level delegates and such other votes as the convention determines to take by written ballot, and (2) reporting in writing to the State Party Chair within two days of the congressional district convention the list of national convention delegates chosen and the selections made under provision (H.) above.

v. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates to the Democratic National Convention within 10 days after their election. (*Rule 8.C & Call IV.A*)

vi. Except for the first determining step, there will be no secret ballots cast at any stage of the delegate selection process. (*DNC Charter Nine.12*)

3. Apportionment of District-Level Delegates and Alternates

- a. North Carolina's district-level delegates and alternates are apportioned among the districts based on a formula giving equal weight to the voter for the Democratic candidates in the 2020 presidential and most recent gubernatorial elections, as this system has served North Carolina well in the past. This method is the most inclusive method because it balances North Carolina's historically strong performance in state elections and our historically weaker

North Carolina 2024 Delegate Selection Plan

performance in presidential elections. (*Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A*)

i. The “allocation factor” for each congressional district gives equal weigh to the 2020 votes for Roy Cooper (Governor) and Joseph R. Biden (President). It is computed as follows:

$$A = \frac{.5((\text{District Presidential Vote}) + (\text{District Gubernatorial Vote}))}{(\text{Statewide Pres. Vote}) + (\text{Statewide Gov. Vote})}$$

- b. The number of men and the number of women in the state’s total number of district-level delegates and alternates will not vary by more than one. (*Rule 6.C.1 & Reg. 4.9*)
- c. The district-level delegates and alternates are apportioned to districts as indicated in the following table, assuming no gender non-binary delegates:

District	Females	Males	Total
#1	3	3	6
#2	4	3	7
#3	2	2	4
#4	3	4	7
#5	3	2	5
#6	3	3	6
#7	2	3	5
#8	2	2	4
#9	3	2	5
#10	1	2	3
#11	3	2	5
#12	3	4	7

North Carolina 2024 Delegate Selection Plan

4. District-Level Delegate and Alternate Filing Requirements
 - a. A district-level delegate and alternate candidate may run for election only within the district in which they are registered to vote and must be registered as a Democrat as verified by the North Carolina State Board of Elections. *(Rule 13.H)*
 - b. An individual can qualify as a candidate for district-level delegate to the 2024 Democratic National Convention by filing a statement of candidacy designating their singular presidential (or uncommitted) preference and a signed pledge of support for the presidential candidate (including uncommitted status) with the State Party by **noon on March 21, 2024**. A delegate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline. Candidates for Delegate can obtain the paperwork at NCDP.org and file the notice of candidacy at Goodwin House, 220 Hillsborough Street, Raleigh, NC 27603. Candidates for district-level delegates are not required to be delegates to the Congressional District convention elected by their County Party. (Rule 13.B, Rule 15.F & Reg. 4.23)

5. Presidential Candidate Right of Review for District-Level Delegates and Alternates
 - a. The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than **noon on Friday, April 5, 2024**, a list of all persons who have filed for delegate pledged to that presidential candidate. *(Rule 13.D & Rule 13.F)*
 - b. Each presidential candidate, or that candidate's authorized representative(s), must then file with the State Democratic Chair by **noon on Friday, April 12, 2024**, a list of all such candidates they have approved, provided that approval be given to at least three (3) separate individuals for each position for delegate to be selected. *(Rule 13.E.1, Reg. 4.23 & Reg. 4.24)*
 - c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than **noon on Friday, April 12, 2024**.
 - d. National convention delegates and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. *(Rule 13.E & Reg. 4.23)*
 - e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used

North Carolina 2024 Delegate Selection Plan

their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this Plan. *(Rule 6.I & Reg.4.10.C)*

6. Fair Reflection of Presidential Preference

- a. The State presidential primary election is a “binding” primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.
- b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. *(Rule 14.F)*
- c. Every person who files to be a delegate for a specific candidate shall sign a statement of support for the candidate or uncommitted preference they wish to support at the Democratic National Convention. Candidates for delegate will be reminded that their duty is to reflect the will of the voters they represent. *(Rule 13.G)*
- d. Should any presidential candidate not have enough delegate candidates for their allotted delegate slots, the Delegate Selection and Affirmative Action Committee will choose candidates for those slots. This rule will be included on the delegate application. *(Rule 14.C)*

7. Equal Division of District-Level Delegates and Alternates

- a. To ensure the district-level binary-gendered delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category, but do count towards the total delegate allotment. *(Rule 6.C., Rule 6.C.1 & Reg. 4.10)*
- b. Voting for district-level delegates in all caucuses shall be conducted with non-binary, male, and female positions together. Candidates for delegate must

North Carolina 2024 Delegate Selection Plan

receive a majority of votes cast in their caucus in order to be elected, except that no male or female candidate will be elected if the number of male or female delegate slots remaining is zero. The State Party will designate uniform procedures (below) whereby the field of candidates may be narrowed and runoff votes taken in the event enough candidates do not receive a majority of votes on the first ballot.

The First Ballot: Any non-binary, male, or female candidate for delegate who receives more than 50% of the vote from the congressional district presidential caucus shall be declared elected as a national convention delegate, provided that the number of candidates receiving a majority vote does not exceed the number of delegates of that gender allocated to the congressional district as reflected in the allocation chart in Section I of this Delegate Selection Plan. If the number of candidates who receive 50% or more of the votes is greater than the number of delegates allocated for their gender, the candidates receiving the highest number of votes and those receiving the next highest totals (in descending order) shall be elected until all allocated positions of that gender have been filled.

Example: A Congressional District Convention will award 4 delegates to a Presidential Candidate; two male delegates and two female delegates. The caucus for said candidate meets and votes for all delegate candidates as a group. After the first ballot, Female Person A gets 60% of the vote; Female Person B gets 55% of the vote; Non-binary Person A gets 54% of the vote; Male Person A gets 52% of the vote; and Male Person B gets 51% of the vote. No other candidates got more than 50% of the vote. In this scenario, both female candidates would be awarded the female delegate slots; Non-binary Person A would be awarded a delegate slot; and Male Person A would be awarded the final delegate slot. Male Person B would not qualify, nor would any candidate who did not reach the 50% threshold.

The Run-off Procedure: If a sufficient number do not receive a majority on the first ballot, a second vote will be taken, dropping the winner(s) and those receiving less than 20% off the list. On this and subsequent ballots, convention delegates shall have only as many votes as the number of delegate positions left to be filled. This procedure shall be repeated until a sufficient number of candidates who identify as non-binary, or of the appropriate gender, have been elected by a majority vote to fill the allocated positions for that gender.

8. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates and alternates to the Democratic National Convention within ten (10) days after their election. (*Rule 8.C & Call IV.A*)

In such a case, notwithstanding Rule 19.D.2, the State Party Committee shall, at the time of a subsequent permanent replacement, replace a

North Carolina 2024 Delegate Selection Plan

 - (4) In the case where a pledged delegate is permanently replaced after 72 hours before the time the first session is scheduled to convene or, in the case where a pledged delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an alternate may be designated (as

North Carolina 2024 Delegate Selection Plan

In the event of a change or vacancy in the state's office of Governor, the DNC shall recognize only such changes as have been officially recognized by the Democratic Governors' Association. (*Call IV.D.2.a*)
 - b. Members of the Democratic National Committee shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except in the case of death of such delegates. In the case where the state's DNC membership changes following the DNC Secretary's official confirmation, but prior to the commencement of the 2024 Democratic National Convention, acknowledgment by the Secretary of the new DNC member certification shall constitute verification of the corresponding change of Automatic delegates. (*Call, IV.D.2.b*)
 - c. **[If applicable]** Automatic distinguished Party Leader delegates allocated to the state pursuant to Rule 9.A.(5), shall not be entitled to name a replacement, nor shall the state be entitled to name a replacement. (*Call IV.D.2.c*)
 - d. In no case may an alternate cast a vote for an Automatic delegate. (*Call IX.F.3.e*)

 - b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to North Carolina. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. *(Call VII.C.2)*

Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. *(Call VII.C.3)*

- d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.

6. Copies of the Regulations of the Rules and Bylaws Committee and/or the Call for the 2024 Democratic National Convention, including the Rules of Procedure of the Credentials Committee (*Appendix A*), shall be made available by the State Party upon reasonable request.
7. Any group of 15 Democrats with standing to challenge as defined in Reg. 3.2 or the Call (*Appendix A, Sec. 2.A*), may bring a challenge to this Plan or to the implementation of this Plan, including its Affirmative Action provisions.

B. Challenges to the Status of the State Party and Challenges to the Plan

1. A challenge to the status of the State Party Committee as the body entitled to sponsor a delegation from that State shall be filed with the Rules and Bylaws

North Carolina 2024 Delegate Selection Plan

Committee not later than 30 calendar days prior to the initiation of the state's delegate selection process. (*Rule 21.A & Reg. 3.4.A*)

2. A challenge to the state's Delegate Selection Plan shall be filed with the Chair of the State Democratic Party and the Co-Chairs of the Rules and Bylaws Committee within 15 calendar days after the adoption of the Plan by the State Party. (*Reg. 3.4.B*)
3. A challenge to a Plan must be brought in conformity with the Rules and the RBC Regulations, which should be consulted for a detailed explanation of challenge procedures.

C. Challenges to Implementation

1. A challenge may be brought alleging that a specific requirement of an approved Plan has not been properly implemented. Jurisdiction over all challenges initiated in a timely fashion shall reside with either the Rules and Bylaws Committee or the Credentials Committee of the National Convention (See Section VII.A. above). However, the Rules and Bylaws Committee may provide advice, assistance or interpretations of the Delegate Selection Rules at any stage of the delegate selection process. (*Reg. 3.1.C*)
2. An implementation challenge brought before the Rules and Bylaws Committee is initiated by filing a written challenge with the State Party Committee and with the Rules and Bylaws Committee not later than 15 days after the alleged violation occurred. The State Party has 21 days to render a decision. Within ten (10) days of the decision, any party to the challenge may appeal it to the Rules and Bylaws Committee. If in fact, the State Party renders no decision, any party to the challenge may request the Rules and Bylaws Committee to process it. The request must be made within ten (10) days after expiration of the above 21-day period. (*Reg. 3.4.C, Reg. 3.4.E & Reg. 3.4.H*)
3. Performance under an approved Affirmative Action Plan and Outreach and Inclusion Program and composition of the convention delegation shall be considered relevant evidence in the challenge to any state delegation. If a State Party has adopted and implemented an approved affirmative action program, the State Party shall not be subject to challenge based solely on delegation composition or primary results. (*Rule 6.B*) The procedures are the same for challenges alleging failure to properly implement the Affirmative Action Plan and Outreach and Inclusion Programs of a Plan, except that such challenges must be filed not later than 30 days prior to the initiation of the state's delegate selection process. (*Reg. 3.4.C*)
4. Depending on the appropriate jurisdiction (see Section VIII.A. above), implementation challenges must be brought in conformity with the Regulations of the Rules and Bylaws Committee or the Rules of Procedure of the Credentials Committee, which should be consulted for a detailed explanation of challenge procedures.

Dear Co-Chairs Moore and Roosevelt,

This statement serves as confirmation that the composition of the North Carolina Democratic Party's Delegate Selection and Affirmative Action Committee complies with Rules 5.C, 6.A, and 7.

The members of this Committee represent a wide cross section of the people that are fortunate to call North Carolina home. Among the members of the Committee are those who represent our African-American, Hispanic, Asian-American, multi-racial, LGBTQ+, disabled, youth, and senior communities.

I know the members of this Committee represent their communities well and will implement a Delegate Selection Plan that will ensure that North Carolina's delegation remains one of the most diverse and vibrant at our party's National Committee next summer.

Sincerely,

Anderson Clayton
Chair, North Carolina Democratic Party

NC Democrats Announce Opening of DNC Delegate Selection Process

The North Carolina Democratic Party has opened the 2024 DNC Delegate Selection Process, a process for selecting North Carolina delegates to attend the 2024 Democratic National Convention. The full North Carolina Delegate Selection Plan, including public comment form, is available online here.

North Carolina has the 9th largest delegation in the nation, with 130 voting members. All but 14 of the delegates will be pledged to a candidate and the number allocated to each candidate is based upon the results of the “Super Tuesday” March 5, 2024, Presidential Primary Election.

Seventy-six (76) delegates representing each congressional district will be elected at District Conventions on April 27, 2024. Twenty-five (25) At-Large Delegates, 15 Pledged Party Leader and Elected Official (PLEO) Delegates, and 10 alternates will be elected at the State Convention on June 1, 2024. The remaining 14 delegates are Automatic Delegates, such as DNC members, Democratic members of Congress, and the Governor.

To become a delegate, voters must be a registered Democrat, submit a notice of candidacy, and engage with the party to actively seek support for their candidacy. Any registered Democrat is eligible to apply. The Delegate Selection Plan outlines a process for electing an equal number of men and women, with language to include North Carolina's gender non-binary community, and includes representation goals for African-American, Hispanic, Native American, AAPI, LGBTQ+, young (under 35), senior (over 65) and veteran delegates, as well as delegates with disabilities.

The complete North Carolina Delegate Selection Plan is available here, along with information about upcoming online information sessions on the selection process.

Dear Co-Chairs Miller and Roosevelt,

As Chair of the North Carolina Democratic Party, I certify that the proposed Delegate Selection Plan, including attachments and appendices, was placed on the North Carolina Democratic Party's website for a period of 30 days. This letter further certifies that the North Carolina Democratic Party was in compliance with Rule 1.C and Reg 2.2F by providing a 30 day public comment period. The public comments received by the State Party are included in Exhibit D of the Delegate Selection Plan.

Additionally, I am requesting a waiver of Reg. 2.2.C. The North Carolina Democratic Party is unable to come into compliance with Reg. 2.2.C until the meeting of the State Executive Committee on Saturday, June 24, 2023. Due to the overlapping work of the Delegate Selection and Affirmative Action Committee and new members of the State Executive Committee being elected at county conventions in mid-April, there would not be enough time to reasonably call a meeting with notice requirements in compliance with the North Carolina Democratic Party's Plan of Organization.

Sincerely,

Anderson Clayton

I suggest that the duly elected delegates from the 2020 DNC be a consideration as we were not afforded the opportunity to attend in person and attended via zoom. Therefore not having the full experience.

Congressional District: CD-12

In previous cycles, the plan has not been well-publicized, which has been one of the biggest weaknesses of the process (mea culpa). More effort should be put into creating a clear explanatory document of the process, and using the delegate selection process for the explicit purpose of party building, from the precinct level to the state convention. After being heavily involved in this process for the last three conventions, and writing the current plan framework, I continue to believe this is an untapped opportunity to bring a wider universe of Democratic supporters into the fold, starting with the precinct meetings. For example, the plan should encourage county-level parties to make information about the process (and precinct meetings!) available at early voting and Election Day polling places for the March 2024 primary.

The plan shows conflicting April 20, 2024 (table on page 46) and April 27, 2024 (paragraph h on page 11) dates for the District Conventions.

For the section on Representational Goals, thank you for including "veterans" as among those delegate candidates with diversity traits. However, in addition to veterans, please also include "military family members" as included with the veterans, so the category reads "veterans and military family members."

§ 163-59. Right to participate or vote in party primary.

No person shall be entitled to vote or otherwise participate in the primary election of any political party unless that person complies with all of the following:

- (1) Is a registered voter.
- (2) Has declared and has had recorded on the registration book or record the fact that the voter affiliates with the political party in whose primary the voter proposes to vote or participate.
- (3) Is in good faith a member of that party.

Notwithstanding the previous paragraph, any unaffiliated voter who is authorized under G.S. 163-119 may also vote in the primary if the voter is otherwise eligible to vote in that primary except for subdivisions (2) and (3) of the previous paragraph.

Any person who will become qualified by age to register and vote in the general election for which the primary is held, even though not so qualified by the date of the primary, shall be entitled to register for the primary and general election prior to the primary and then to vote in the primary after being registered. Such person may register not earlier than 60 days nor later than the last day for making application to register under G.S. 163-82.6(d) prior to the primary. In addition, persons who will become qualified by age to register and vote in the general election for which the primary is held, who do not register during the special period may register to vote after such period as if they were qualified on the basis of age, but until they are qualified by age to vote, they may vote only in primary elections. (1915, c. 101, s. 5; 1917, c. 218; C.S., s. 6027; 1959, c. 1203, s. 6; 1967, c. 775, s. 1; 1971, c. 1166, s. 4; 1973, c. 793, s. 20; 1981, c. 33, s. 1; 1983, c. 324, s. 3; 1987, c. 408, s. 4; c. 457, s. 1; 1991 (Reg. § 163-82.6. Acceptance of application forms.

(a) How the Form May Be Submitted. - The county board of elections shall accept any form described in G.S. 163-82.3 if the applicant submits the form by mail, facsimile transmission, transmission of a scanned document, or in person. The applicant may delegate the submission of the form to another person. Any person who communicates to an applicant acceptance of that delegation shall deliver that form so that it is received by the appropriate county board of elections in time to satisfy the registration deadline in subdivision (1) or (2) of subsection (d) of this section for the next election. It shall be a Class 2 misdemeanor for any person to communicate to the applicant acceptance of that delegation and then fail to make a good faith effort to deliver the form so that it is received by the county board of elections in time to satisfy the registration deadline in subdivision (1) or (2) of subsection (d) of this section for the next election. It shall be an affirmative defense to a charge of failing to make a good faith effort to deliver a delegated form by the registration deadline that the delegatee informed the applicant that the form would not likely be delivered in time for the applicant to vote in the next election. It shall be a Class 2 misdemeanor for any person to sell or attempt to sell a completed voter registration form or to condition its delivery upon payment.

North Carolina 2024 Delegate Selection Plan

- (b) Misdemeanors. - It shall be a Class 2 misdemeanor for any person to do any of the following:
- (1) To communicate to the applicant acceptance of the delegation described in subsection (a) of this section and then fail to make a good faith effort to deliver the form so that it is received by the county board of elections in time to satisfy the registration deadline in subdivision (1) or (2) of subsection (d) of this section for the next election. It shall be an affirmative defense to a charge of failing to make a good faith effort to deliver a delegated form by the registration deadline that the delegatee informed the applicant that the form would not likely be delivered in time for the applicant to vote in the next election.
 - (2) To sell or attempt to sell a completed voter registration form or to condition its delivery upon payment.
 - (3) To change a person's information on a voter registration form prior to its delivery to a county board of elections.
 - (4) To coerce a person into marking a party affiliation other than the party affiliation the person desires.
 - (5) To offer a person a voter registration form that has a party affiliation premarked unless the person receiving the form has requested the premarking.
- (c) Signature. - The form shall be valid only if signed by the applicant. An electronically captured signature, including signatures on applications generated by computer programs of third-party groups, shall not be valid on a voter registration form, except as provided in Article 21A of this Chapter. Notwithstanding the provisions of this subsection, an electronically captured image of the signature of a voter on an electronic voter registration form offered by a State agency shall be considered a valid signature for all purposes for which a signature on a paper voter registration form is used.
- (d) Registration Deadlines for a Primary or Election. - In order to be valid for a primary or election, the form:
- (1) If submitted by mail, must be postmarked at least 25 days before the primary or election, except that any mailed application on which the postmark is missing or unclear is validly submitted if received in the mail not later than 20 days before the primary or election,
 - (2) If submitted in person, by facsimile transmission, or by transmission of a scanned document, must be received by the county board of elections by a time established by that board, but no earlier than 5:00 P.M., on the twenty-fifth day before the primary or election,
 - (3) If submitted through a delegatee who violates the duty set forth in subsection (a) of this section, must be signed by the applicant and given to the delegatee not later than 25 days before the primary or election, except as provided in subsection (f) of this section.
- (e) If the application is submitted by facsimile transmission or transmission of a scanned document, a permanent copy of the completed, signed form shall be delivered to the county board no later than 20 days before the election.
- (f) Instances When Person May Register and Vote on Primary or Election Day. - If a person has become qualified to register and vote between the twenty-fifth day before a primary or election and primary or election day, then that person may apply to register on primary or election day by submitting an application form described in G.S. 163-82.3(a) or (b) to:
- (1) A member of the county board of elections;
 - (2) The county director of elections; or
 - (3) The chief judge or a judge of the precinct in which the person is eligible to vote,

and, if the application is approved, that person may vote the same day. The official in subdivisions (1) through (3) of this subsection to whom the application is submitted shall decide whether the applicant is eligible to vote. The applicant shall present to the official written or documentary evidence that the applicant is the person he represents himself to be. The official, if in doubt as to the right of the applicant to register, may require other evidence satisfactory to that official as to the applicant's qualifications. If the official determines that the person is eligible, the person shall be permitted to vote in the primary or election and the county board shall add the person's name to the list of registered voters. If the official denies the application, the person shall be permitted to vote a challenged ballot under the provisions of G.S. 163-88.1, and may appeal the denial to the full county board of elections. The State Board of Elections shall promulgate rules for the county boards of elections to follow in hearing appeals for denial of primary or election day applications to register. No person shall be permitted to register on the day of a second primary unless he shall have become qualified to register and vote between the date of the first primary and the date of the succeeding second primary.

(g) For purposes of subsection (f) of this section, persons who "become qualified to register and vote" during a time period:

(1) Include those who during that time period are naturalized as citizens of the United States or who are restored to citizenship after a conviction of a felony; but

(2) Do not include persons who reach the age of 18 during that time period, if those persons were eligible to register while 17 years old during an earlier period.

(h) The county board of elections shall forward by electronic means any application submitted for the purpose of preregistration to the State Board of Elections. No later than 60 days prior to the first election in which the applicant will be legally entitled to vote, the State Board of Elections shall notify the appropriate county board of elections to verify the qualifications and address of the applicant in accordance with G.S. 163-82.7. North Carolina 2024 Delegate Selection Plan

(1) Any group of voters which, at the last preceding general State election, polled for its candidate for Governor, or for presidential electors, at least two percent (2%) of the entire vote cast in the State for Governor or for presidential electors.

(2) Any group of voters which shall have filed with the State Board of Elections petitions for the formulation of a new political party which are signed by registered and qualified voters in this State equal in number to one-quarter of one percent (0.25%) of the total number of voters who voted in the most recent general election for Governor. Also the petition must be signed by at least 200 registered voters from each of three congressional districts in North Carolina. To be effective, the petitioners must file their petitions with the State Board of Elections before 12:00 noon on the first day of June preceding the day on which is to be held the first general State election in which the new political party desires to participate. The State Board of Elections shall forthwith determine the sufficiency of petitions filed with it and shall immediately communicate its determination to the State chair of the proposed new political party.

(3) Any group of voters which shall have filed with the State Board of Elections documentation that the group of voters had a candidate nominated by that group on the general election ballot of at least seventy percent (70%) of the states in the prior Presidential election. To be effective, the group must file their documentation with the State Board of Elections before 12:00 noon on the first day of June preceding the day on which is to be held the first general State election in which the new political party desires to participate. In addition to the form of the petition, the organizers and petition circulators shall inform the signers of the general purpose and intent of the new party.

The petitions must specify the name selected for the proposed political party. The State Board of Elections shall reject petitions for the formation of a new party if the name chosen contains any word that appears in the name of any existing political party recognized in this State or if, in the State Board's opinion, the name is so similar to that of an existing political party recognized in this State as to confuse or mislead the voters at an election.

The petitions must state the name and address of the State chairman of the proposed new political party.

(c) Each petition shall be presented to the chairman of the board of elections of the county in which the signatures were obtained, and it shall be the chairman's duty:

§ 163-165.7. Voting systems: powers and duties of State Board.

(a) (Effective until December 1, 2019, for certain counties - see note) Only voting systems that have been certified by the State Board of Elections in accordance with the procedures set forth by the State Board of Elections and subject to the standards set forth in this section and that have not been subsequently decertified shall be permitted for use in elections in this State. Those certified voting systems shall be valid in any election held in the State or in any county, municipality, or other electoral district in the State. Subject to all other applicable rules adopted by the State Board of Elections and, with respect to federal elections, subject to all applicable federal regulations governing voting systems, paper ballots marked by the voter and counted by hand shall be deemed a certified voting system. The State Board of Elections shall certify optical scan voting systems, optical scan with ballot markers voting systems, and direct record electronic voting systems if any of those systems meet all applicable requirements of federal and State law. The State Board may certify voting systems only if they meet the requirements set forth in this section and only if they generate either a paper ballot or a paper record by which voters may verify their votes before casting them and which provides a backup means of counting the vote that the voter casts. Those voting systems may include optical scan and direct record electronic (DRE) voting systems. Among other requirements as set by the State Board of Elections, the certification requirements shall require at least all of the following elements:

(1) That the vendor post a performance bond or letter of credit to cover damages resulting from defects in the voting system, expenses associated with State or federal decertification of the voting system, and to protect against the vendor's insolvency or financial inability to make State or federally mandated modifications or updates to the voting system. Damages may

include, among other items, any costs of conducting a new county or statewide election attributable to those defects. The bond or letter of credit shall be maintained in the amount determined by the State Board as sufficient for the cost of a new statewide election or in the amount of ten million dollars (\$10,000,000), whichever is greater.

(2) That the voting system comply with all federal requirements for voting systems.

(3) That the voting system must have the capacity to include in voting district returns the votes cast by voters outside of the precinct associated with that voter's voter registration.

(4) With respect to electronic voting systems, that the voting system generate a paper record of each individual vote cast, which paper record shall be maintained in a secure fashion and shall serve as a backup record for purposes of any hand-to-eye count, hand-to-eye recount, or other audit. Electronic systems that employ optical scan technology to count paper ballots shall be deemed to satisfy this requirement.

(5) With respect to DRE voting systems, that the paper record generated by the system be viewable by the voter before the vote is cast electronically, and that the system permit the voter to correct any discrepancy between the electronic vote and the paper record before the vote is cast.

(6) With respect to all voting systems using electronic means, that the vendor provide access to all of any information required to be placed in escrow by a vendor pursuant to G.S. 163-165.9A for review and examination by the State Board of Elections; the Department of Information Technology; the State chairs of each political party recognized under G.S. 163-96; the purchasing county; and designees as provided in subdivision (9) of subsection (f) of this section.

(7) That the vendor must quote a statewide uniform price for each unit of the equipment.

(8) That the vendor must separately agree with the purchasing county that if it is granted a contract to provide software for an electronic voting system but fails to debug, modify, repair, or update the software as agreed or in the event of the vendor having bankruptcy filed for or against it, the source code described in G.S. 163-165.9A(a) shall be turned over to the purchasing county by the escrow agent chosen under G.S. 163-165.9A(a)(1) for the purposes of continuing use of the software for the period of the contract and for permitting access to the persons described in subdivision (6) of this subsection for the purpose of reviewing the source code.

As part of the certification requirements, the State Board of Elections shall address the mandatory terms of the contract for the purchase of the voting system and the maintenance and training related to that voting system.

(a) (Effective June 20, 2018, as to certain counties, and December 1, 2019, as to all other counties - see note) Only voting systems that have been certified by the State Board of Elections in accordance with the procedures set forth by the State Board of Elections and subject to the standards set forth in this section and that have not been subsequently decertified shall be permitted for use in elections in this State. Those certified voting systems shall be valid in any election held in the State or in any county, municipality, or other electoral district in the State. Subject to all other applicable rules adopted by the State Board of Elections and, with respect to federal elections, subject to all applicable federal regulations governing voting systems, paper ballots marked by the voter and counted by hand shall be deemed a certified voting system. The State Board of Elections shall certify optical scan voting systems, optical scan with ballot markers voting systems, and direct record electronic voting systems if any of those systems meet all applicable requirements of federal and State law. The State

Board may certify voting systems only if they meet the requirements set forth in this section and only if they generate a paper ballot which provides a backup means of counting the vote that the voter casts. Those voting systems may include optical scan and direct record electronic (DRE) voting systems that produce a paper ballot. Among other requirements as set by the State Board of Elections, the certification requirements shall require at least all of the following elements:

- (1) That the vendor post a performance bond or letter of credit to cover damages resulting from defects in the voting system, expenses associated with State or federal decertification of the voting system, and to protect against the vendor's insolvency or financial inability to make State or federally mandated modifications or updates to the voting system. Damages may include, among other items, any costs of conducting a new county or statewide election attributable to those defects. The bond or letter of credit shall be maintained in the amount determined by the State Board as sufficient for the cost of a new statewide election or in the amount of ten million dollars (\$10,000,000), whichever is greater.
- (2) That the voting system comply with all federal requirements for voting systems.
- (3) That the voting system must have the capacity to include in voting district returns the votes cast by voters outside of the precinct associated with that voter's voter registration.
- (4) With respect to electronic voting systems, that the voting system generate a paper ballot of each individual vote cast, which paper ballot shall be maintained in a secure fashion and shall serve as a backup record for purposes of any hand-to-eye count, hand-to-eye recount, or other audit. Electronic systems that employ optical scan technology to count paper ballots shall be deemed to satisfy this requirement.
- (5) With respect to DRE voting systems, that the paper ballot generated by the system be viewable by the voter before the vote is cast electronically, and that the system permit the voter to correct any discrepancy between the electronic vote and the paper ballot before the vote is cast.
- (6) With respect to all voting systems using electronic means, that the vendor provide access to all of any information required to be placed in escrow by a vendor pursuant to G.S. 163-165.9A for review and examination by the State Board of Elections; the Department of Information Technology; the State chairs of each political party recognized under G.S. 163-96; the purchasing county; and designees as provided in subdivision (9) of subsection (f) of this section.
- (7) That the vendor must quote a statewide uniform price for each unit of the equipment.
- (8) That the vendor must separately agree with the purchasing county that if it is granted a contract to provide software for an electronic voting system but fails to debug, modify, repair, or update the software as agreed or in the event of the vendor having bankruptcy filed for or against it, the source code described in G.S. 163-165.9A(a) shall be turned over to the purchasing county by the escrow agent chosen under G.S. 163-165.9A(a)(1) for the purposes of continuing use of the software for the period of the contract and for permitting access to the persons described in subdivision (6) of this subsection for the purpose of reviewing the source code.

As part of the certification requirements, the State Board of Elections shall address the mandatory terms of the contract for the purchase of the voting system and the maintenance and training related to that voting system.

- (b) Federal Assistance. - The State Board may use guidelines, information, testing reports, certification, decertification, recertification, and any relevant data produced by the Election

(c) Only electronic poll books or ballot duplication systems that have been certified by the State Board in accordance with procedures and subject to standards adopted by the State Board, or which have been developed or maintained by the State Board, shall be permitted for use in elections in this State. Among other requirements as set by the State Board, the certification requirements shall require that a vendor meet at least all of the following elements:

(1) That the vendor post a bond or letter of credit to cover damages resulting from defects in the electronic poll book or ballot duplication system. Damages may include, among other items, any costs of conducting a new election attributable to those defects.

(2) That the vendor provide access to all of any information required to be placed in escrow by a vendor pursuant to G.S. 163-165.9A for review and examination by the State Board, the Department of Information Technology, the State chairs of each political party recognized under G.S. 163-90, the purchasing county, and designees as provided in subdivision (9) of subsection (f) of this section.

(3) That the vendor must quote a statewide uniform price for each unit of the equipment.

(4) That the vendor must separately agree with the purchasing county that if it is granted a contract to provide software for an electronic poll books or ballot duplication system but fails to debug, modify, repair, or update the software as agreed or, in the event of the vendor having bankruptcy filed for or against it, the source code described in G.S. 163-165.9A(a) shall be turned over to the purchasing county by the escrow agent chosen under G.S. 163-165.9A(a)(1) for the purposes of continuing use of the software for the period of the contract and for permitting access to the persons described in subdivision (2) of this subsection for the purpose of reviewing the source code.

(d) The State Board may also, upon notice and hearing, decertify types, makes, and models of voting systems. Upon decertifying a type, make, or model of voting system, the State Board shall determine the process by which the decertified system is discontinued in any county. The Governor shall cause this proclamation to be published in the daily newspapers published in the City of Raleigh. Notice may additionally be made on a radio or television station or both, but such notice shall be in addition to the newspaper and other required notice. Before the date fixed for the meeting of the electors, the Governor shall send by registered mail to the Archivist of the United States, either three duplicate original certificates, or one original certificate and two authenticated copies of the Certificates of Ascertainment, under the great seal of the State setting forth the names of the persons chosen as presidential electors for this State and the number of votes cast for each. These Certificates of Ascertainment should be sent as soon as possible after the election, but must be received before the Electoral College meeting. At the same time the Governor shall deliver to the electors six duplicate originals of the same certificate, each bearing the great seal of the State. At any time prior to receipt of the certificate of the Governor or within 48 hours thereafter, any person elected to the office of elector may resign by submitting his resignation, written and duly verified, to the Governor. Failure to so resign shall signify consent to serve and to cast his vote for the candidate of the political party which nominated such elector.

In case of the absence, ineligibility or resignation of any elector chosen, or if the proper number of electors shall for any cause be deficient, the first and second alternates, respectively, who were nominated under G.S. 163-1(c), shall fill the first two vacancies. If the alternates are absent, ineligible, resign, or were not chosen, or if there are more than two vacancies, then the electors present at the required meeting shall forthwith elect from the citizens of the State a sufficient number of persons to fill the deficiency, and the persons chosen shall be deemed qualified electors to vote for President and Vice-President of the United States. political party which nominated such elector shall constitute a resignation from the office of elector, his vote shall not be recorded, and the remaining electors shall forthwith fill such vacancy as hereinbefore provided.

The clear proceeds of forfeitures provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (c) Standard for Decision by General Assembly and Governor. - In exercising their authority under subsections (a) and (b) of this section, the General Assembly and the Governor shall designate Electors in accord with their best judgment of the will of the electorate. The decisions of the General Assembly or Governor under subsections (a) and (b) of this section are not subject to judicial review, except to ensure that applicable statutory and constitutional procedures were followed. The judgment itself of what was the will of the electorate is not subject to judicial review.

(d) Proclamation Before Electors' Meeting Day Controls. - If the proclamation of any Presidential Elector under G.S. 163-210 is made any time before noon on the day set for the meeting of Presidential Electors by 3 U.S.C. § 7, then that proclamation shall control over an appointment made by the General Assembly or the Governor. This section does not preclude litigation otherwise provided by law to challenge the validity of the proclamation or the procedures that resulted in that proclamation. Each political party shall allocate delegate positions in a manner which reflects the division of votes of the party primary consistent with the national party rules of that political party.

(b) In case of conflict between subsection (a) of this section and the national rules of a political party, the State executive committee of that party has the authority to resolve the conflict by adopting for that party the national rules, which shall then supercede any provision in subsection (a) of this section with which it conflicts, provided that the executive committee shall take only such action under this subsection necessary to resolve the conflict. State Delegate Selection Media Plan

Following the adoption of the Delegate Selection and Affirmative Action Plan by the State Executive Committee on Saturday, June 24, 2023, we will publicly announce the adoption of the plan to print, television, and radio outlets in the state. Part of the dissemination to state media outlets will include a public education component on the delegate selection process in a clear and concise fashion.

Working with our Delegate Selection and Affirmative Action Committee, DNC members, and our state party's auxiliary groups and caucuses, we will send representatives and utilize social media to educate members of the Democratic Party on how the delegate selection process will work. Webinars and in-person meetings will be used to engage as many Democrats as possible and answer questions about the process. This engagement will also include our Congressional District Executive Committees.

Throughout 2023 and leading up to county and district conventions in 2024, the North Carolina Democratic Party will use traditional and social media regarding upcoming dates, deadlines, education opportunities, and updates to the delegate selection process. Additionally, there will be one-pagers and process maps for those interested in running for district level or state level delegate.

Not only will we produce a communications toolkit for the media, we will also create a toolkit to be shared with party leaders so that they may provide accurate and complete information for those interested in becoming a delegate to the 2024 Democratic National Convention. These toolkits will also include relevant talking points, graphics, and facts about the process.

Furthermore, our digital communications team will develop a digital calendar with key dates to be shared on social media.
